Dear Dr. Natthanan Thongmark,

GLOBAL ACADEMIC SUMMER PROGRAM (GASP) 2018

Universiti Malaysia Perlis would like to extend an official invitation for your students to participate in the **2018 Global Academic Summer Program (GASP)** which will be held at Universiti Malaysia Perlis, Malaysia from **29th July to 11th August, 2018**.

GASP is a two-week summer programme where participants can earn two credits applicable at their home universities. Apart from classroom activities, participants will also learn more about Malaysia's past and present, as well as Malaysian cultural heritage.

This summer program is aimed to provide international students with the multiracial culture experience in Malaysia. GASP consists of classroom lectures, laboratory activities, field trips, and community service activities. During the programme, students will embark on a field trip to the legendary Langkawi Island to experience the ultimate nature.

Please visit our website for more information about the program and its course at (<http://gasp.unimap.edu.my>). Some key aspects of the program are itemized in the attached brochure for your reference.

Should you have any questions regarding GASP, please feel free to email us at gasp@unimap.edu.my.

We look forward to meeting your students in GASP 2018.

Thank you.

Yours Sincerely,

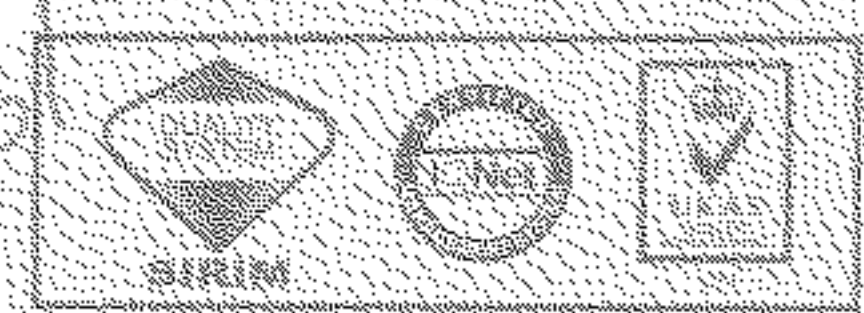

(DR. SALSUWANDA SELAMAT)

**UNIVERSITI MALAYSIA PERLIS
WELCOMES YOU
TO GASP 2018**

I would like to take this opportunity to welcome everybody who will be visiting us in Perlis in conjunction with the **UniMAP Global Academic Summer Programme (GASP) 2018**.

GASP 2018 hopes to bring together participants from all over the world with the aim of sharing their expertise and knowledge with participating participants. In addition, it will be a great time to sample the best of Malaysia in the northern most state of the country.

Dato' Prof. Dr.
Zul Azhar Zahid Jamal

See you in Perlis, Malaysia!

GASP is a two-week summer programme where participants can earn two credits applicable at their home universities.

Participants will have to attend two academic courses in the morning and one non-academic course in the afternoon.

Apart from classroom activities, participants will also learn more about Malaysia's past and present, as well as experience Malaysian culture first-hand through visiting Malaysian cultural heritage sites.
